
Welcome to Raumati Road Surgery!

We provide a friendly, personal service and look forward to assisting you with your family health care needs.

We are also a teaching practice, so we host and teach junior and senior medical students and GP Registrars from time-to-time.

Appointments

Doctors appointments are for 15 minutes.

Double appointments may be required for some services or if you have a number of issues to discuss with the Doctor. Longer appointments will be charged accordingly.

If you are unsure, please ask the receptionist when you book your appointment.

Missed appointments

Please let us know if you no longer need your appointment, so that we can offer it to other patients. Missed appointments may be charged at the usual appointment rate.
